RE: Parking at United States Courthouse, Augusta, Georgia

A significant landscape/hardscape project is being undertaken around the District Court and Barrett Plaza. This work is being done in connection with the construction of the Courthouse Annex, which will house the new Bankruptcy Court. During this construction period, on-site parking for the District, Magistrate and Bankruptcy Courts will be limited; however, parking will be available in the Civic Center's parking lots on 7<sup>th</sup> and 8<sup>th</sup> Streets. Handicap parking and access will continue to be available by contacting the CSOs at the Courthouse. Parking will not be allowed in the U.S. Post Office lot, and unauthorized vehicles in that lot are subject to being towed. Please inform your staff and clients of these parking arrangements.

We hope to have the work complete in August or September, at which time the Bankruptcy Court and Clerk's Office will be relocated into the new Courthouse Annex. Additional notices will be sent once the relocation date has been set.

Again, please make sure your staff and clients are made aware of the parking arrangements.

Very truly yours,
