Chapter 11 Case

Number 13-40601-EJC

ORDER

This case is before the Court on Wetdog, LLC's ("Wetdog") amended objection to Belle Resources, Ltd.'s ("Belle") claim (dckt. 193); Wetdog's motion in limine (dckt. 204); Belle's Application of Oversecured Creditor for Allowance of Professional Fees and Costs ("§ 506(b) Motion") (dckt. 220); and Belle's motion to strike (dckt. 236). The Court held a hearing on these matters on February 17, 2015.

Consistent with the findings of fact and conclusions of law separately entered, it is ORDERED that Wetdog's amended objection to Belle's claim (dckt. 193) is SUSTAINED and Belle's claim for Pendency Period interest at the default rate is DISALLOWED; Wetdog's motion in limine (dckt. 204) is DENIED as moot; Belle's § 506(b) Motion (dckt. 220) is DENIED; and Belle's motion to strike (dckt. 236) is DENIED.

It is further ORDERED that Belle is entitled to interest under § 506(b) on its secured claim during the Pendency Period, accruing at the contractual non-

default rate of LIBOR plus 4.25%, except that no interest accrued for the first four months of that period. And, Wetdog is entitled to be credited for the \$199,750.00 of cash collateral payments it made during the Pendency Period.

So Ordered. Dated at Savannah, Georgia, this 14th day of August, 2015.
